

Baatein bahut hui  
Kaam shuru karein kya  
Kal kya karega  
Aaj shuru karein kya  
Yeh desh apne haath  
Kuch baaton se hoga na  
Tu khud hi hai naayak  
Toh shuru karein kya (x2)

[Slow Cheetah]  
Shuruaat se hi seekhte ghalat hai  
Garam hai hum sab pe  
Par khud mein jo dum hai woh kum hai kya  
Tere andar ki zameen aaj numm hai kya  
Doosron pe bhonkhe  
Tujhe khud pe sharam hai kya  
Gareebon pe atyachaar  
Bachchiyon ka balaatkaar  
Naa rokega naa toh  
Na hoga aisa koi chamatkar  
Ungli uthaate par awaaz toh uthaao  
Note sab chaape saale izzat kamaao  
Batti tum jalaate khali kadam badhate  
Apne andar ke andhere mein woh batti ko jalaao

[Spitfire]  
Stop si udaan kyun\*  
Samaaj bana chilman sa  
Salat kar jo lathpath  
Tu puchta hai jaat unka  
Tarkash mein mazhab ye  
Jab tak taraazu ke  
Peedhi ki maut hogi  
Ghar sad kar hai shanka  
Ainak awaam ka hai safe nahi devi  
Haan sadkon pe darr ke kyun kaanp rahi  
Saanp bani chhaati pe dahshat dharam ki  
Tu khud hai maseeha ye aankhein kyun num si

[Kaam Bhaari]

Tu bhai musalman ka toh  
Kaai ko ladte jaat pe  
Insaaniyat hai gumshuda  
Aur psycho hum halaat se  
Aur apne logo ko toh chahiye jaati ka waar  
Haathi ka daant  
Tu bol mujhko kidhar gayab insaaf  
Tabhi to milega jabhi tu  
Apne haq ko bolna shuru karega  
Sach ko kholna sab ke baare mein sochna  
Ab tu nahi darega  
Ameer ke thaali mein roti hai char  
Fakeer nahi hai mila \*\*  
Sab theek hai tera toh badha vyapaar  
Kamzor pe aise na daal dabaav

[Dee MC]

Chalo shuru se karein haal kyun behaal hai  
Aise toh azaadi ko huve sattar saal hain  
Hum azaad na phir bhi  
Kabhi sunte na khud ki  
Ghar baithe sochenge masle ki tarqeeb  
Kadam le aage toh peeche ye kheenche  
Tu zyada sach ugle toh dharti ke neeche  
Ab neeche hi rehna  
Himmat se sehna  
Woh maare wo peete  
Tu kuch bhi na kehna  
Har jaati se choti yahaan aurat ki jaat  
Dede jeevan ki dor kisi aur ke haath  
Yahaan praan jaaye par maan na jaaye  
Dulat ki laalach hadakti duaayein
